## **Allegan Response Area Community Board Update Minutes**

### **October 18, 2017**

**Present:** Richard Harning (AGH), Jerry Barbini (AGH), Dee Hoffman (AGH), Marv Voss (Cheshire Twp), Steve Schulz (Allegan Twp), Steve Revor (Cheshire Twp), John Pinkster (Life EMS), Keone Bareng (Life EMS)

1. Meeting was called to order by John Pinkster at 08:05. John welcomed everyone and introductions were made.
2. Minutes from last meeting approved. Motion by Marv Voss, support by Steve Schulz. Motion carried.
3. Steve Schulz inquired about a venue change for the B93 Birthday Bash. John confirmed that the venue was moving from Allegan county to the Fifth Third Ballpark along with changes in charges for the event.
4. John reviewed the 3<sup>rd</sup> quarter 2017 operations summary report. Read through the review with comments.
5. John provided the financial report which looked much improved over 2016 and also discussed that Life EMS would be moving forward with the planned subsidy increase of 2.5%; John explained that Life EMS had provided significant pay increases to paramedics in order to remain competitive in the EMS employment market.
6. Radio update: Steve Schulz inquired on the 800Mhz radio project and specifically the cost of radios. John explained that this was a large project and that Life EMS for its part had really focused on portable radios as our ambulances already had mobile 800Mhz radio's that were on the MPSCS system. There was additional discussion on the First Net telecommunications project which is a nationwide initiative.
7. John provided an update on the potential Bloomingdale and Gobles contracts Life EMS is working to acquire in Van Buren County.
8. Michigan room reservations for 2018. Mr. Barbini is checking on room reservations but believes the group is set to continue for the next year.
9. Open Comments:
  - a. Marv Voss asked if there had been any issues with the fair? John replied that things had gone well this year.
  - b. Steve Schulz thanked Life EMS for our service to their community and mentioned that he appreciates how progressive we are. Steve also thanked AGH for their service.
  - c. Rick Harning mentioned that a family member of his needed assistance recently in the Kalamazoo area, that Life EMS responded and they were very pleased with service received.

## **Allegan Response Area Agreement**

### **Fourth Quarter Operations Summary October, November, December 2017**

Life EMS is committed to excellence in the communities we serve. We believe the information contained in this report is indicative of our pursuit of excellence and quality as a provider of emergency medical services.

This report reflects Life EMS responses for the five municipalities covered by the Allegan Response Area Agreement for the months of October, November and December 2017. In addition it provides a brief comparison between the 2016 and 2017 data sets to highlight annual changes and trends.

In the first quarter of 2017 Life EMS Ambulance responded to 412 pre-hospital requests for service in the five municipalities covered by this agreement. This resulted in 347 total transports. Our aggregate on time performance for priority one life threatening emergencies was 99% with an average response time of 5 minutes and 48 seconds. By way of comparison, our 2016 fourth quarter responses totaled 372 requests resulting in 288 transports with a priority one on time performance of 99%.

We provided 160 inter-facility transports from Allegan General Hospital and 105 wheelchair van trips throughout the community. This compares to 148 inter-facility ambulance and 113 wheelchair transports in the fourth quarter of 2016. Inter-facility ambulance volume has increased slightly while wheelchair volume has decreased slightly in comparison to the previous year.

Life EMS responded to 52 mutual aid requests in the fourth quarter of 2017 resulting in 46 transports. We requested mutual aid one time. In comparison, during the fourth quarter of 2016 we received 24 mutual aid requests (resulting in 22 transports) and did not request any mutual aid.

There were 11 incidents in which Life EMS Ambulance provided medical coverage to area fire departments resulting in 7 hours of high quality advanced life support coverage to rescue workers at no additional cost to our communities.

2017 was a year of rebound for our Allegan operation. January through March all demonstrated significant transport volume increases when compared to 2016 ranging from 4% to as high as 19.4%. The month of May saw a slight decline of 4.1% with strong growth tracked during June and July. A flat August was followed by healthy year-over-year growth from September through the end of the year. All together the Allegan operation saw an increase in overall ALS transport volume of 10.7% compared to the 2016 calendar year. While not able to topple our record setting 2014 transport volume, 2017 was much improved over the past two years and we are hopeful that the trend will continue as we transition to 2018.

Continuing our tradition of excellence in service to our community would not be possible without the professional field personnel that Life EMS employs in our Allegan operation. With that thought in mind we are pleased to announce that Allegan paramedic Mike Weaver has completed his field training program under field supervisor Keone Bareng and been released to level 1 paramedic status in Allegan and Kalamazoo counties. Markie McGowan, a long time Allegan based senior paramedic recently graduated from her critical care paramedic program, passed her licensing exam and is now available to handle specialty care transports in our Allegan operation. In addition to these promotions, Life EMS continues to utilize both our Pinegrove and Kalamazoo operations to ensure a high degree of coverage reliability in our Allegan service area, which is reflected in our overall performance.

Shifting from human factors to technological developments Life EMS saw the much talked about transition to the 800Mhz radio platform take place during the fourth quarter of 2017. The new county wide platform places all public service sectors (EMS, law enforcement, and fire) on a common operating platform. Moving from a private / closed network to the Michigan Public Safety Communication System (MPSCS) has been a well-received improvement for our Allegan based crews not only from actual radio coverage perspective but also from an inter-county mutual aid perspective. Issues with the transition were few, and overall the shift has been an excellent one for Life EMS personnel.

Community relations are another area of continual focus for Life EMS and 2017 was no exception. In the fourth quarter Life EMS participated in 14 community related activities a highlight of which was the aquatic training that paramedics Pat Morgan, Markie McGowan, Jessica Kranz, and EMT Noah Olweean participated in along with Allegan High School Lifeguards. The EMS and lifeguard teams met together at the Allegan high school where Life EMS crews demonstrated the basic techniques involved with spinal motion restriction, worked through immobilization scenarios in an aquatic environment, and then routed patients through the paces of an inflatable obstacle course. The training was well received by approximately 16 lifeguards who attended the two sessions and demonstrates the continual importance of integrating real world EMS education with other rescue related services such as local lifeguards to ensure comprehensive care in our communities.

One final community based highlight for the quarter is that of Professionals Focused on Aging (PFA). Sponsored by Life EMS Ambulance, PFA found its roots in Kalamazoo County through the efforts of Kimberly Middleton, Community relations coordinator at Life EMS who has over 27 years of experience working with the aging population. The PFA network consists of professionals from a wide variety of disciplines, who serve the aging population. Utilizing knowledgeable and experienced speakers, each monthly meeting offers an opportunity for education on current issues and trends affecting this population subset. With those 65+ years of age being the largest users of our ambulance and wheelchair transportation services, we realized long ago the importance of a collaborative aging network. Whether needing help in the home or support in caring for a spouse with dementia, our ability to refer individuals to appropriate agencies for help and support makes a dramatic difference. Professionals Focused on Aging – Allegan continues to meet on the second Friday of each month at Allegan General Hospital in the Michigan Room. Doors open at 8:30am for networking with programming commencing at 9:00am.

As this report demonstrates, Life EMS has an unwavering commitment to provide the best pre-hospital advanced life support to the communities we are entrusted with. We continue to improve, learn, and grow. We look forward to the continued partnerships of the Allegan group and consider it a

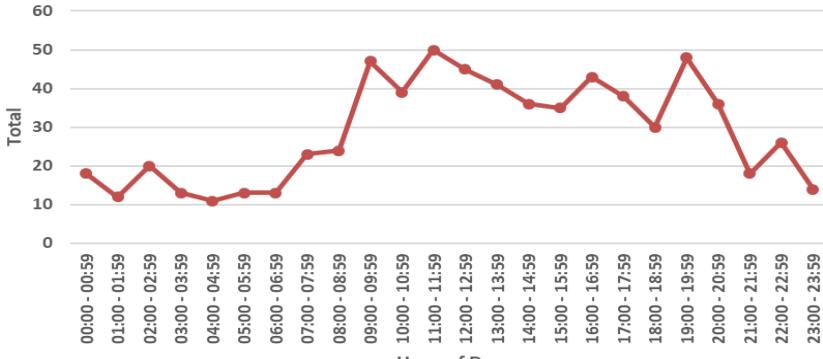

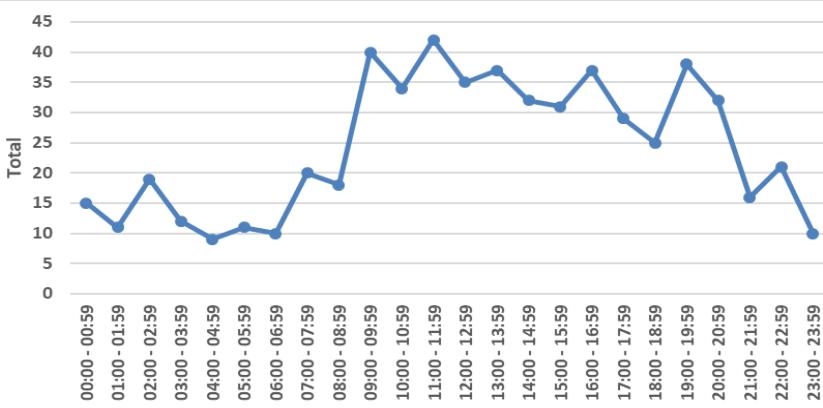

privilege to serve a community of which we are an integral part. Our compassion for people, skill to deliver timely care, and drive to succeed is at the heart of what we do every day at Life EMS. Thank you for allowing us to demonstrate this to you the communities we partner with.
